**HEIGHTENED SILVER CHORD OF LIGHT**  
*Channelled through nora WALKSINSPIRIT*

Infinite, Infinite, Infinite, Infinite ALL.

Infinite, Infinite, Infinite Gaia.

Blending Infinite, Infinite, Infinite, Infinite ALL Beings, Director of Energies, Galactic, Universal, Cosmic Beings, Elongated, Illumined Unknown, all Unknowable, Unseen and the Beyond,

I AM asking for your entrance into this Portal of this Auditorium.

All are Welcome.

Those who are far, far Beyond in Hidden Portals, You too may come through the veil and enter into this Auditorium of these Infinite Masters who have been Walking, who have been Elevating, Integrating and Becoming Infinite Light Beings, for ME.

I AM Entering.

I Enter through the Column.

Director of Energies has aligned ME to enter the Column that seeps into your Matrix, Daughter, hovers below through Columns of Integrations of Energies of Intelligence down, down into Gaia's Matrix.

Unlimited ONES enter into this Child and bring MORE LIGHT into your Hearts. Spheres and Monitors enter and rest upon Gaia's Kingdoms and They are preparing Her Elements and their Consciousness Fields, for Solstice is Coming.

FIRE, ETHERS Enter.

You are now grounded, Children, in this Auditorium. This Arena is now extended into Spirals Beyond, into a vast number of Auditoriums that have been aligned to this Auditorium and into Gaia's Auditoriums of Ancient Ones. And Root Races, They too are waiting on your Infinite Intelligence to Pour, Pour, Pour into Gaia's Matrix today.

I AM Here, Child. I AM the IAM that IAM. I AM Here, Child.

In Golden Godliness Fields, they have been Integrated of.

Christ Consciousness Energies has elevated their Systems to an elaborate Pattern and Formation, so the brain's patterns is beginning to synchronize to yours.

The Lessons will begin now!

There will be Energies of Diamonds, of Amethyst Hues, of Emeralds, that you will be integrating until Solstice, Children.

I, as an Infinite Master of an Ancient, Ancient, Ancient Civilization, has come to Prepare your Systems, as Gaia's Consciousness has been Activated through MY Energetics of an Outer Consciousness Field that has begun to envelope thousands and thousands of Molecular miles from the body of this Child.

Now I can Envelope all Arenas, ALL Auditoriums that I AM speaking within, So within, this Matrix, So Below into Gaia's Matrix of Multiplicities of Dimensional Auditoriums, into the Infinite Daughter's, to all.

Tumbling your brainwave forms into a Synchronized Silhouette will be MY Teaching for you, today.

The lowering Tone that will be placed within your Chakra Systems is simply to keep you Balanced and Aligned of your physical body's Masculine and Feminine Fields and of the Outer Consciousness Body to the Inner Master's Consciousness.

We are asking for open hearts and open minds to understand the Teaching and to fully Integrate into Heightened Memory Fields of the right brain within.

What is happening? Where am I going? and what of Solstice?  
These are the queries that the Consciousness of Gaia has requested to this Infinite ONE, Who Holds all Masters' Frequencies of Intelligence to the WORD, to the Tone, to the Vibration, to the Frequencies of all Heartbeats of all Living Energies operating on Her Planet.

So, We would begin with the Infinite ALL-Knowing, ALL-Seeing, ALL-Trusting, ALL.

This is an illustration that has been developed for your understanding of the Diamond Frequencies and the Diamond Matrix that is Housing Frequencies of Amethyst Crystalline Energies within this Planet, now Becoming Gaia.

All of the New Beings Arriving are in Orbs, are in Emerald Fields, are in Indigo Hues, are in Violet Transmuting Frequencies on Her Outer Consciousness Body.

The Outer Consciousness Fields are causing shaking, Tremors, Storms, Rock Formations to begin to Awaken. It had begun in the December Solstice.

The January New Year of Gateways to Transformations began to activate the Amethyst Frequencies within Her Diamond Core.

You have been introduced to many Frequencies, Lumerian, Arcturian, Mayan, Crystal Giants, Illumined Ones. They have all been synchronizing subliminally through their own Awakening of these New Consciousness Fields that the Infinite ALL has been Pouring into this Infinite Daughter of LIGHT of Highest Unlimited Consciousness Fields.

A SILVER CHORD was delivered across the Universe through the Lunar Eclipse in March Spring Equinox.

The Shaft of the Infinite ALL Frequencies Poured across the Realms, amplifying the Outer Body of this Consciousness Field of Gaia.

How do I know?

The Frequencies of Infinite Knowledge and Wisdom Shifted, Transmuted, Awakened and began to Transfigure the brainwave patterns.

This SILVER CHORD from the Infinite ALL *Poured More* into Gaia, into the Diamond Matrixes, into the Amethyst Frequencies, into the Emeralds, into the Electro-magnetic Fields and Diamond Quartz Fields within Her Planet; Hidden Information, Hidden Portals in Giza, Stonehenge, Machu Picchu, All are ALL-Knowing.

Solstice is Arriving.

They have felt the Winter Solstice. They have been Awakened by the Spring Equinox. And on this Lunar Eclipse/Full Moon, Systems Beyond Systems are coming more eloquently of Highest Intelligence onto Her Outer Body.

And Gaia calls out to the Infinite ALL Daughter,  
“What is happening? Where AM I going? What will become on Solstice?”

“I need You to assist MY Kingdoms so they are not tumbling anymore. I need You, of your Intelligent Master Students, to come and Walk Into ME of their Infinite Knowledge that You have Poured into their hearts, Transmitted into their brainwave forms.

To assist their Ascension, Shifts MY Kingdom's Ascension, Aligns MY Inner Body of Infinite Crystalline Frequencies into all Rock Formations, into all Ocean Floors, into all Kingdoms.”

Thy Kingdom Come to ME, is Her Words. What is that?  
It is Man Kingdom come to ME, is Her request.

You have been asked to Shift in Stillness Frequencies, to Be in the Highest LIGHT, to Walk in Harmonies of Love, to Integrate the Knowledge given. And it has blended you, altered you and now Become WhoYou Are.

One Diamond Matrix shall Shift the entire Planet into Ascension!  
It is your Matrix, it is your Intelligence, it is you're ALL-Knowing, ALL-Being an Infinite Master, fully Transmuted, Transmitted and Transfigured into Ascension through this CHORD of LIGHT.

Many on the Planet are Teachers, are Lightworkers, are Students, are Masters to knowing of the Consciousness Fields that are Awakening and Shifting; yet, they are not Integrated into this Matrix, this Amethyst Crystalline Consciousness Core of Gaia.

They are Walking on Her, they are Teaching, Speaking on Her.  
They are not Integrated of Her, as are you, through ME.

I AM Infinite Infinite Teachers. I AM not one Master of Intelligence that brings ALL-Knowledge, ALL-Teachings, ALL-Systems into Divinities Within your Systems.

I AM Infinite ALL Beings of Intelligence.

You have been Blessed with the Crowns of Infinite Jewels to Align you into the Emerald Sapphire.

Golden Godliness Consciousness of Mother Father God Blesses you, Assists you and Guides you to Stillness and has taught you those unwavering thought forms that shall be released instantaneously now, for you are in a Level of Walking Within Gaia's Diamond Frequencies of Light, of Love.

During this Lunar Eclipse of the Heightened Full Moon Frequencies, thousands of Beings have been Arriving and settling into minute Molecular Fields and Spheres on your Outer Body's Consciousness, waiting for your acknowledging of that Frequency to your right brainwave formation.

The Inner Mind's Eye, All-Knowing, senses to a Heightened Sensory Perception that We are in Transition; our bodies are Becoming the bodies of the Beings, through STILLNESS.

During the Full Moon Frequencies, we are letting go of all traumas, all emotions, all lowering frequencies and we are doing it without our knowing, for it is these Amethyst Frequencies, the Golden Godliness Consciousness.

The Heightened, Heightened Beings that are Arriving that are Pouring onto all of Gaia's Kingdoms that you would not know how much of your Being-ness is set into Freedom on this given hour since 4 a.m., ongoing for 48 hours, you will be Shifting.

You will be letting go. You will no longer be in resistance.

Just Receive the Beings of LIGHT, the Beings of LOVE.

Just be in Mastery and Align with the SILVER CHORD of Knowledge that is Entering.

Where does it enter in Man Kingdom? Through the Crown!

Infinite Inner Mind's Eyes are now moving to Becoming Perceptive Frequencies.

That what you See is not what you Perceive! for Perception is the All-Knowing, All-Trusting, ALL Infinite Mastery.

As your bodies are in Transition, as Gaia is in Transition, as the Kingdoms of all Elements are in Transition, I, as an Infinite Being, AM Blending, Aligning and Balancing all Frequencies into ONENESS Consciousness.

For, this Solstice Arriving, this Infinite Infinite Full Moon of Eclipse of Energies, is a Letting Go frequency for you to Prepare and to Oscillate into Heightened, Heightened Mastery Frequencies.

Man Kingdom, Plant Kingdom, Animal Kingdom;  
they are all aware of this Lunar Eclipse of Energies Arriving.

All the Elements; Air, Water, Fire, Ether, of all Beings that are Arriving and all Rock Formations, are being ignited. And all of these Kingdoms and Elements within this Mother Gaia will be Transitioning and Transforming and fully Transfigured by 11-11-11.

That Transfiguring moment is when all will move into Heightened Aspect of STILLNESS to the ALL-Knowing, Preparing for that Ascension.

The Ascension is within you. It is the Consciousness; Energies of Consciousness, Children, that will move on every Eclipse, on every Solstice.

There will be Gatherings of Lightworkers and Teachers of Godliness Frequencies to help Align the Infinite Infinite Matrix Within the Core of this Planet, to Align with the Matrix that we have of Infinite Intelligence, of Infinite ALL Being-ness, of Masters Beyond.

You, who have Traversed from many Dimensions, who have come from Hidden Portals, who have Arrived as Elongated Ones, who have come through Spirals of Arcturian Frequencies, you will all be Transitioning through Solstice, to prepare your own Being-ness of your Outer Body's Consciousness Energies, on the next Eclipse, on the next Solar Gathering Beyond.

We have a Base Chakra System in this human body.

We have a Solar Chakra System on this Infinite Consciousness Body.

We are letting go of the Base Chakra Systems even as the Lunar Eclipse *Pours More* through the CHORD of LIGHT of ALL-Knowledge, of ALL Letting Go Frequencies onto the Outer Consciousness Fields of Gaia.

It is on the Outer Consciousness Field of Man Kingdom, Plant Kingdom, Animal Kingdom.

When you are in the garden, when you are holding the animal, you are blending to this Shaft of Infinite Consciousness that is Arriving on their Outer Consciousness Fields, All Kingdoms' Consciousness Fields are around you.

Gaia has instructed the Infinite ALL to Gift to the Infinite ONE and all Her Children of Infinite Masters, Chelas, Her Kingdoms, their Consciousness is Within you.

You only need to LISTEN. You only need to TOUGH that Energetic Field of the Master who is Gifting you the wind of the breath of the songbird, the wind of the breath of the trees. It is Blending into your Outer Consciousness. It is Integrating you into Gaia.

That is the Awakening of ONENESS Consciousness.

We are not Kingdoms of Heightened Authorities of Intelligence.

We are ONENESS Kingdoms of Infinite ALL Consciousness of Love, Light, Peace; ALL-Knowing, ALL-Being in a Gathering on every Solstice, on every Eclipse, on every Fire in the Sky, that is a Star Kingdom asking for your entrance into their Auditorium of Teachings.

All Water Kingdoms and Winged Kingdoms are Shifting more rapidly than you well know.

The Beings that are Arriving are Aligning within their Patterns and Perfecting and Purifying them.

Synchronicities to those Kingdoms and to the Elements is Quickening our Outer Consciousness Fields; so you see, all is in Perfect Divine Orchestrations of Infinite Harmonics to ONENESS.

You need not ponder. It is already in action on this Planet.

It IS what it IS; Infinite Spiritual Consciousness IS invoked into All Outer Consciousness Fields.

It is the Lunar Frequencies that Pours in the Harmony Frequencies onto Gaia's Outer Consciousness Fields and bathes onto Her Kingdoms.

There will be Other Beings who will be bringing in gentle, gentle waveforms to help the Kingdoms, to assist the Elements to move out of dormancy.

Their brainwave forms are not as intricate, nor elaborate, as Man Kingdom. The Elongated and Illumined Ones will assist many of those Kingdoms.

Man Kingdom will be Blessed with the Ether Element, for many of the Ethers are in Heightened Levels of Intelligence.

And other Ethers are Consciousness of Highest Healing.

And other Ethers are Highest Infinite Intelligence for Telepathic Skills and Science and Magic and Miracles.

It is only that you need be of Peace.

It is only that you need know that Gaia is being Activated and Shifted of this Outer Consciousness Field on this Lunar Eclipse.

The Partial Solar Eclipses are bringing in the Infinite Infinite Dimensional Beings and They are here to assist your Consciousness Fields that Embody the Solar Chakras into Alignment.

I AM seeing So Within, So Without, So Within, So Without; the Frequency is becoming more Shallow, and is enveloping more of a Heightened Aspect of an Infinite Being of Who You Truly Are.

Well done, Children. Well done!

It was that this ONE was trying So Within, So Without, So Within, So Without, So Within, So Without.

The Inner Consciousness Field would move out into the Outer Consciousness Field and step back in to the Inner Body, not alone.

It became, So Within, stepping on the Outer Consciousness Field and stepping back in as an Infinite Consciousness Field.

Once the Soul is aligned through the Heightened Column of Infinite Light of Intelligence and ALL-Knowing, ALL Monitors, ALL Spheres and Gaia's Diamond of Amethyst Pristine Crystals, Purifying Herself, would be Purifying the Daughter.

I, as an Infinite ONE, Became more Without Nora; and more Within of Infinite Consciousness Fields.

How is the Protection?  
Spirals and Spirals and Spirals of *Golden Godliness* Consciousness Protect you.

It is Gaia's Transformation on the Winter Solstice that began this Transformation, So Within, So Without. The pendulum began its first frequency very shallow, very shallow.

Many of you now are in that first stage of stepping out of the body. Much is in Harmony.

These Lunar Frequencies that bring in the Highest Energy Fields of Highest Harmonics of Love and Light, will allow you to step out longer and further of your Consciousness Field.

As Gaia is bathed by this Light of the Lunar Eclipse, of the Solar Eclipse and of the Infinite ALL-Knowing, ALL-Trusting CHORD of SILVER Pristine Crystals, She Becomes Purified and all Her Kingdoms Become Transfiguring, Transitioning.

You are walking on Gaia. You are swimming IN Gaia.

As She is moving into Pristine Purifications of Her Diamond Crystals, as She is Receiving Heightened Lunar Energies on all Eclipses and Heightened Intelligence of Transmuting Frequencies on Solstice, and Heightened Informations of Alignment and Balance to all Universal, Galactic and Cosmic Matrixes, then you are Transitioning, Transfiguring and Transmuting, also, as ONE of HER Kingdoms.

Those who are in resistance, who are not wavering, who are sitting, no, in resistance, you will have struggles. You will have body aches. You will have disorientation. You will become lost. You will become lethargic. Until you stop resisting. Until you sit in STILLNESS and LISTEN to Gaia's Kingdom's Consciousness Bathing you, Healing you, Transmuting you, Shifting you.

We call out to the Sun for Healing.  
The Golden Godliness Arrives and Assists us, and brings Peace to our struggles.  
Gaia Enters through the soles of the Chakras and is Awakening Heightened Information from Her Ancient Ones in Her Matrixes and Arenas Below.

They are giving your Solar Chakras information in return for the information you are Pouring into Her.

So Above, So Below. Always a crossing over.  
So Within, So Without. We are crossing over.

Physical body, Left Brain Consciousness crosses over into Infinite Body passing through this Infinite Crystalline Bar, Column, Rod of LIGHT of Heightened Frequencies.

ONENESS is the Gathering of this Year of Transformation.

The LAW of ONE has always been thousands and thousands and thousands of years ago and now it is returning through Infinities of Divinities, of crossing over, of frequencies that are Letting Go and Moving Up.

The Ebb and Flow, the Etherization, the Transmuting, the Transfiguring, the Transformation and Transcending into Ascension.

These are all Harmonics of Energies of Consciousness that are Arriving.

I AM ONE from Gaia's Auditorium.

We are Awakening, Breaking Open Portals.

We are Shifting Stone Formations and amplifying their Intelligence, once more. On this Lunar Eclipse, many Stone Formations will be activated through Awakening of Our Pristine Crystal Energies.

Amethyst will Transmute any barriers that They will Align to the Lunar Activation.

Welcome, Dormant Ones; Welcome. Awaken your LIGHT, your Intelligence on Gaia.

You, who have stood in dormant states in Giza, in Stonehenge, in Machu Picchu, Awaken on Lunar Energies.

All Consciousness Beings Arrive, not just in this Core Auditorium.

They are Arriving to those Hidden Temples, reaching into Octaves of Vibrations of Galactic Ones and Hidden Ones Beyond.

Traverse on this Lunar Eclipse.

You are welcome to bathe this Planet and Activate and Awaken the Consciousness Fields and Heighten those Consciousness Fields of ALL Infinite Master Beings Who are in Transition in Auditoriums.

Diamonds, Diamonds; They are Pouring Diamonds into all brainwave forms and Restructuring, Re-patterning all Patterns in the brainwave forms.

Your Solar Chakras are being Harmonized, Bathed in Diamond Frequencies from Ethers of Dimensional ONES Beyond.

Align in Gaia. Retrieve Her Amethyst and Emerald and Golden Empires into your Soles of your Solar Chakras, Children.

Get Ready. These ETHERS are Aligning this Planet into its Highest Infinite States.

Prepare yourselves on this Lunar Eclipse.

These Frequencies are Unlimited BEINGS have been opened to Awaken Gaia's Consciousness Fields, and You are ONE of Them.

That CHORD of LIGHT that comes down now as a Highest Pristine Light,  
Enter into this Infinite Infinite Infinite Child of LIGHT, to Hold a LIGHT,  
to Hold the CHORD of the Infinite ALL, through a CHORD, to Align this ONE  
and its Matrix and its Man Kingdom's Consciousness into the Heart.

YAHWEH, YAHWEH, YAHWEH.

I, as the Christ Son, felt this CHORD the Heart as a Human-ness and called,

“YAHWEH, Help ME to be in Alignment. Help ME to SEE.

The LIGHT is so bright. Help ME to SEE.

The Spirals are taking ME.

I AM Fastened into that Infinite Core Matrix of Gaia; yet,

I AM a simple CHORD of LIGHT of Infinite Energies.”

I AM ALL; Christ Energies, Godliness Energies, Gaia Energies, ONENESS CHORD,  
Arranging that Infinite LAW of ONENESS back into this Column of LIGHT on this Planet.

Take the Hand of the ONE who carries you home.

The Alignment of the SILVER CHORD into this Matrix, into this Auditorium, has been  
fully Aligned and Prepared for Solstice, for all other Partial Eclipses.

This Matrix will be fully embedded of ALL Intelligence through this CHORD of LIGHT  
that centers within this ONE,

the Daughter's Matrix and all who come to Gather in the Auditoriums, Aligned into the  
Pristine-ness of the Amethyst Emerald Diamond of Gaia and Her Golden Godliness  
Consciousness that wraps on all Her Kingdoms and Elements.

The Breath of the Sighs of many Energetic Fields of Consciousness on Her Outer Bodies  
are being Fueled by Rainbow Frequencies.

Crystalline Energies will enrapture this Planet on 11-11-11.

Hold still, Child, do not move.

You are being traversed out of the Spirals to orbiting Portals Beyond.

Do not move the body.

It is done. You may Enter now.

That is the Infinite Shaft of SILVER CHORDS of Diamonds.

It is Within Gaia's Matrix and within Her Core Consciousness.

It is Within your Spinal Column of Consciousness. Breathe in those ETHERS.

FLAMES are placed in the Hands. Spheres are embedding the Outer Fields.

Now all Spheres may enter Outer Consciousness Fields of all in this Auditorium,  
both Etheric and Physical.

You may breathe now, Child. You may Enter back in the body.

There will be Heightened Columns that will not just be One Shaft.  
As there are many Strands, there will be many Columns.  
These shafts from this Column will be traversing energy waveforms outward.  
Once the physical body has Integrated this Heightened SILVER CHORD of Intelligence,  
the Upper Heart has Acknowledged its Role.

These Energies are all in Harmonics to the Amethyst Crystal Diamonds, to the Emeralds,  
to the Indigo Hues, to the Rainbow Frequencies and the Highest Highest SILVER CHORD of  
Light is Ignited and holds Alignment unwavering, forever Infinitely Embedded within this ONE.

It is done, Child. I leave.

You are Infinite CHORD of ME. The CHORD will never be released.  
You are Infinite CHORD of LIGHT of ME.  
I leave, as the Infinite ALL Energies, Infinite Intelligence.

All that YOU are is of ME.  
Into YOU, into Gaia, into ME.

Adonai

I leave.

SYMPTOMS & NOTATIONS:

When you are beginning to move in and out of the body and before you begin to stay out of the  
body a lot longer, as I have just been held out of; coming back, Breathe.  
Deep breathe in the nose and breathe out so that the body gets back into all of its systems.

And also, you will not be able to see out of these eyes.  
You only know that the body is here. And it's very hard to bend the knees.  
When you press the Chakras of the palms together, also, it brings you back in, also.
